24th April 2017

Dear Parents,

ParentMail

This term we will be trialling ParentMail, an electronic form of communication. Letters were sent out at the end of last term inviting parents to register for the electronic information. If you have registered successfully you should have received a copy of this letter electronically and will no longer receive paper copies after today. If you have not registered you will continue to receive hard copies until you are registered. If you have had any difficulties registering, please contact the school office.

Summer Term Assessments

During the Summer Term, summative assessments do take place. Children are required to be in school for these assessments and therefore leave of absence will not be authorised during a testing period. Year 1 phonics test will take place week beginning 13th June. Year 2 assessment tests in mathematics and reading will take place in May. Summative assessments for Years 3 & 4 will take place in May. The results of the test will be reported to parents along with their end of year report.

Dr Thomlinson Induction day

Parents with children in Year 4 who are moving to Year 5 in September 2017 at Dr Thomlinson should have now been informed of two induction days at the middle school on Thursday 6th July and Friday 7th July. Parents will have to arrange their own transport to and from the middle school on this day.

Red Nose Day - Comic Relief

We raised £105 for Comic Relief. Well done everyone.

Headteacher - Mrs Louise Fletcher
