

Reading at home

Booklet 2

Your child is learning to read with *Read Write Inc. Phonics*, a very popular and successful literacy programme. This **booklet** shows you how you can get your child off to a quick start.

Your child will learn to read in a very simple way.

He or she will learn to:

1. Read **letters** by their 'sounds'
2. Blend these sounds into **words**
3. Read the words in a **story**.

How to listen to your child read

- Do not read the book aloud before your child reads it to you.
- Ask your child to read the sounds and words before he or she reads the story.
- When your child reads the story, ask him or her to sound out the words that he or she can't read automatically. Don't allow your child to struggle too much. Praise your child when he or she succeeds.
- Read back each sentence or page to keep the plot moving. (Your child's energy is going into reading the words not the story.)
- Do not ask your child to guess the word by using the pictures.
- Do it all with patience and love!

We have a storytime every day at school so children develop a love of stories. We hope that you will do the same by reading a bedtime story to your child every night.
